1. Does your property participate in a Food Hub, Co-Op or other community-based food sharing program? Yes No

Please provide name of organization and contact info: _____

If yes, please explain below and include information on the name(s), program, and how much product you are contributing to the program listed:

ADDITIONAL REMARKS/COMMENTS/JUSTIFICATION

5. Does the ag on this parcel meet the minimum size? Yes No

Intensive or diversified ag: .25 acre (10,890 sqft)

Orchards: 1.0 acre

Feed crops or fast rotation forestry: 5.0 acres

Pasture or slow rotation forestry: 10 acres

If no, please share if this parcel is part of a larger farm operation which may include other parcels noted on page #2 or provide more details about your agricultural use?

6. Does your farm operation (can include farm income from more than this parcel) have a minimum of \$2,000 annual gross income? Yes No

If no, please provide additional information of your farm operation including if you anticipate \$2,000 annual gross income in the future or if you are trading/bartering, sharing, donating or how your agricultural products are being utilized:

7. For pasture lands:

Is there perimeter fencing for the area your livestock grazes on this parcel? Yes No

Is the fencing permanent? Yes No

Is there a water source for the area your livestock grazes on this parcel? Yes No

If there is no permanent perimeter fencing, please share how your livestock are contained? Examples may include natural geographic features such as a gulch or adjacent parcel which is also pasturing livestock.
